# SERVICES FOR SENIORS 618-236-5863

A specially trained care coordinator will come to your home, free of charge, to conduct a thorough needs assessment and explain what community based resources are available to assist you or your loved one to live in your own home as safely and independently as possible. Our care coordinator will then work with you to develop an individualized plan of care and make arrangements for needed services.

- Homemaking Services
- Home-Delivered Meals
- Adult Day Services
- Equipment to Ensure Safety
- Emergency Response Systems
- Housing Options

(All services may not be  
available in all areas)
